Electronic voting is permitted. Elections shall be held annually. Terms of office shall commence on the first day of September following the election.* (Regulations 11.3; 11.1)

Call for Nominations. To ensure that the slate for election of Board members represents diverse stakeholders, agreed-upon representation, and new leaders, the Leadership Development Committee will begin active recruitment efforts no less than six months in advance of the annual election, which must begin by May 1. An open call for nominations, including self-nominations, will be included in all appropriate delivery vehicles, such as the NAGC website and official NAGC publications.

Clear eligibility criteria and application procedures, established by the Elections Committee, and reviewed periodically, will be accessible to members via the NAGC website no later than the first week of December of any given year.

Throughout the nominations window, the Leadership Development Committee and National office will promote the open positions and the opportunity for nominations and self-nominations. Members of the Leadership Development Committee will proactively recruit applicants from a wide variety of stakeholder groups as part of their official charge. Nomination materials may be submitted to

the National office via regular mail or electronic mail as indicated in the application procedures.

The nominations process will close March 1. The National office will promote the nominations deadline and will make every effort to contact applicants prior to this deadline to ensure complete materials have been received.

If by the nominations deadline only a single application has been received, the Leadership Development Committee working with the National office will, when possible, contact additional individuals eligible to run for the position in a final effort to ensure the position is contested.

Presentation of the Slate. After reviewing the results of the evaluation forms, the Elections Committee will compile and present the proposed slate of candidates to the Board of Directors. It is expected that each candidate presented meets criteria that reflect the professional reputation of NAGC, as well as the skill sets required for the role as they are currently established. The slate should represent geographic and cultural diversity. Not every candidate who applies will necessarily be accepted for the slate.

The slate of candidates and the nominations materials for each candidate are accessible via the NAGC website for up to two (2) weeks prior to the opening of the elections voting window. Members are notified by email when the slate of candidates and candidate information is available on the NAGC website in advance of voting.

The National office creates an electronic ballot in coordination with an on-line elections vendor.

Voting. No later than May 1, eligible NAGC members are alerted via email that the e-ballot is accessible and voting is open. The electronic ballot is “live” and accessible until June 1.

8.1.3

The National office will contact members via email at least twice during the voting window with a reminder to vote.

Voting concludes at midnight on June 1. Results of the election will be tallied by the online elections vendor and the results reported to National office staff. All candidates will be notified of election results in writing and/or via phone within one week of the closing of the election. The Board will be notified of the election results immediately following the notification of candidates. Following the notification of candidates and the Board, the general membership will receive notification of the election results. All terms begin on September 1.
