Presentations

International

Invited Keynote. *Survival skills for the differentiated classroom*. (October 26, 2017.) III. MIB International Scientific Conference on Talent Education. Portorož, Slovenia.

Parenting Gifted Children 101: An introduction to gifted kids and their needs. (July 22, 2017). 22nd Biennial Conference for the World Council for Gifted and Talented Children, Sydney, Australia.

Workshop: Use one protocol rather than multiple rubrics with products. (August 12, 2015). 21st Biennial Conference for the World Council for Gifted and Talented Children, Odense, Denmark. Co-presenter Julia Roberts.

Assessment of advanced learning. (August 11, 2015). 21st Biennial Conference for the World Council for Gifted and Talented Children, Odense, Denmark. Co-presenter Julia Roberts.

Products in the digital age: An authentic challenge for gifted students. (September 19, 2014). 14th International ECHA (European Council for High Ability) Conference, Ljubljana, Slovenia. Co-presenter Julia Roberts.

Challenging gifted students: Differentiation made simple. (September 19, 2014). 14th International ECHA (European Council for High Ability) Conference, Ljubljana, Slovenia. Co-presenter Julia Roberts.

The importance of culture in differentiation. (August 14, 2013). 20th Biennial Conference for the World Council for Gifted and Talented Children, Louisville, KY. Co-presenter Julia Roberts.

Teacher identification of children with high ability in math and science. (August 13, 2013). 20th Biennial Conference for the World Council for Gifted and Talented Children, Louisville, KY. Co-presenter Brittany Crowley.

DAP tool: A protocol for developing and assessing products. (August 11, 2013). 20th Biennial Conference for the World Council for Gifted and Talented Children, Louisville, KY. Co-presenter Julia Roberts.

Effects of problem-based learning in math and science on high potential elementary school students. (August 11, 2013). 20th Biennial Conference for the World Council for Gifted and Talented Children, Louisville, KY. Co-presenters Julia Roberts and Brittany Crowley.

Preassessment: Making differentiation defensible. (August 11, 2011). The 19th Biennial World Conference of the World Council for Gifted and Talented Children in Prague, Czech Republic. Co-presenter Julia Roberts.

Products: Preparing students for the future. (August 10, 2011). The 19th Biennial World Conference of the World Council for Gifted and Talented Children in Prague, Czech Republic. Co-presenter Julia Roberts.

Using the NAGC pre-k – 12 standards for defensible differentiation. (August 8, 2011). The 19th Biennial World Conference of the World Council for Gifted and Talented Children in Prague, Czech Republic. Co-presenter Julia Roberts.

Acceleration: Research says yes! (December 7, 2005). 2005 U.S. – China Joint Education Conference sponsored by People to People Ambassador Programs in Beijing, China.

National

Policies to remove barriers for gifted students. (February 9, 2018). The Council for Exceptional Children Annual Conference. Tampa, FL. Co-presenter Julia Roberts.

Children with gifts and talents: A category of exceptional children. (February 8, 2018). The Council for Exceptional Children Annual Conference. Tampa, FL. Co-presented Julia Roberts. Poster Session.

(February 8, 2018). The Council for Exceptional Children Annual Conference. Tampa, FL. Co-presented Julia Roberts.

Social and emotional vulnerability of gifted children: What's a teacher to do? (December 12, 2017). Indiana Association for the Gifted Annual Conference, Indianapolis, IN. Invited speaker.

Getting it right with Bloom's taxonomy. (December 12, 2017). Indiana Association for the Gifted Annual Conference, Indianapolis, IN. Invited speaker.

Survival skills for the differentiated classroom. (December 11, 2017). Indiana Association for the Gifted Annual Conference, Indianapolis, IN. Invited speaker.

Preassessment possibilities: Defensible differentiation. (December 11, 2017). Indiana Association for the Gifted Annual Conference, Indianapolis, IN. Invited speaker.

Harness the power of parents: Delivering professional development for parents. (December 1, 2017). Texas Association for Gifted and Talented Annual Conference, Houston, TX. Co-presenter Lynette Breedlove.

The power of products. (December 1, 2017). Texas Association for Gifted and Talented Annual Conference, Houston, TX. Co-presenter Julia Roberts.

An Introduction to gifted education: What does a beginner need to know? (November 30, 2017). Texas Association for Gifted and Talented Annual Conference, Annual Conference, Houston, TX. Co-presenters Jenny Robins and Julia Roberts.

Let's talk: Differentiation 101. (November 30, 2017). Texas Association for Gifted and Talented Annual Conference, Annual Conference, Houston, TX. Panel member.

Let's talk: Getting started in gifted education. (November 30, 2017). Texas Association for Gifted and Talented Annual Conference, Annual Conference, Houston, TX. Panel member.

Parenting gifted children: Wisdom of the sages. (November 12, 2017). Moderator. National Association for Gifted Children Annual Conference, Charlotte, NC.

What is giftedness? (November 11, 2017). National Association for Gifted Children Annual Conference, Charlotte, NC.

Understanding the twice-exceptional student. (October 13, 2017). The Association for the Gifted Underrepresented High Potential: A Workshop on Underrepresented Gifted and Talented Youth, Bowling Green, KY.

Parenting gifted children 101: An introduction to gifted kids and their needs. (June 12, 2017). Invited speaker for inaugural day-long parent workshop. The Hormel Institute, MN.

Differentiation made simple: Change your favorite lessons into differentiated ones. (April 22, 2017). The Council for Exceptional Children Annual Conference. Boston, MA. Co-presenter Julia Roberts. Workshop.

The exceptionalism of gifts and talents. (April 21, 2017). The Council for Exceptional Children Annual Conference. Boston, MA. Co-presenter Julia Roberts.

A Protocol for products: Replacement for multiple rubrics. (April 19, 2017). The Council for Exceptional Children Annual Conference. Boston, MA. Co-presenter Julia Roberts.

Preassessment: An essential component of defensible differentiation. (April 19, 2017). The Council for Exceptional Children Annual Conference. Boston, MA. Co-presenter Julia Roberts.

What does an effectively differentiated classroom look like? (April 19, 2017). The Council for Exceptional Children Annual Conference. Boston, MA. Co-presenter Julia Roberts.

Members are our first priority. (November 5, 2016). National Association for Gifted Children Annual Conference, Walt Disney World Resort, FL. Co-presenters George Betts and Rene Islas. Invited speaker.

Parenting gifted children 101: An introduction to gifted kids and their needs. (November 5, 2016). National Association for Gifted Children Annual Conference, Walt Disney World Resort, FL.

NAGC presidential session: Poverty and the gifted child. (November 5, 2016). National Association for Gifted Children Annual Conference, Walt Disney World Resort, FL. Invited speaker.

Getting it right with Bloom's taxonomy. (November 4, 2016). National Association for Gifted Children Annual Conference, Walt Disney World Resort, FL. Co-presenter Julia Roberts.

Imagine professional development possibilities. (November 4, 2016). National Association for Gifted Children Annual Conference, Walt Disney World Resort, FL. Co-presenter Julia Roberts.

The nuts and bolts of effective differentiation. (March 10, 2016). William & Mary National Curriculum Network Conference, Williamsburg, VA. Invited keynote.

Speaking out for gifted children and young people. (November 14, 2015). National Association for Gifted Children Annual Conference, Phoenix, AZ. Co-presenter Julia Roberts.

Preassessment and reflection: Bookends for meaningful learning. (November 13, 2015). National Association for Gifted Children Annual Conference, Phoenix, AZ. Co-presenter Julia Roberts.

Getting it right with Bloom's taxonomy. (September 11, 2015). Arkansas Association of Gifted Education Administrators 23rd Annual Fall Conference, Conway, AR.

A protocol for developing and assessing products. (April 11, 2015). Council for Exceptional Children Annual Conference, San Diego, CA. Co-presenter Julia Roberts.

Differentiation: Addressing diverse learner's needs. (April 9, 2015). Council for Exceptional Children Annual Conference, San Diego, CA. Co-presenter Julia Roberts.

The afterlife: A study in the humanities. (November 16, 2014). National Association for Gifted Children Annual Conference, Baltimore, MD.

Assessment of advanced learning. (November 14, 2014). National Association for Gifted Children Annual Conference, Baltimore, MD. Co-presenter Julia Roberts.

Project GEMS: Results of a study in problem-based learning (poster session). (April 11, 2014). CEC National Convention. Philadelphia, PA.

Nuts and bolts of a differentiated classroom. (April 9, 2014). TAG Symposium: Common Core State Standards and Gifted Education, Philadelphia, PA. Invited speaker.

Tackling the common core through integrating history and literature. (November 23, 2013). National Council for the Social Studies Annual Conference, St. Louis, MO. Co-presenter Jana Kirchner.

Evaluation of problem-based learning and pbl plus a pull-out program on math and science achievement for high achieving students over the course of four years. (November 9, 2013). National Association for Gifted Children Annual Conference, Indianapolis, IN. Co-presenters Steve Wininger and Julia Roberts.

Protocol replaces many rubrics. (November 8, 2013). National Association for Gifted Children Annual Conference, Indianapolis, IN. Co-presenter Julia Roberts.

Differentiation toolkit: Simple strategies that work. (April 24, 2013). National Association for Gifted Children Webinar on Wednesday. Co-presenter Julia Roberts. Invited speaker.

What does an effectively differentiated classroom look like? (April 17, 2013). Association for Gifted Children Webinar on Wednesday. Co-presenter Julia Roberts. Invited speaker.

Debunking the myths about gifted education: They really are exceptional children. (April 6, 2013). Council for Exceptional Children Annual Conference, San Antonio, TX. Co-presenter Julia Roberts.

Differentiation made simple: Strategies that change lessons into differentiated ones. (April 6, 2013). Council for Exceptional Children Annual Conference, San Antonio, TX. Co-presenter Julia Roberts.

Preassessment: The linchpin of defensible differentiation. (April 5, 2013). Council for Exceptional Children Annual Conference, San Antonio, TX. Co-presenter Julia Roberts.

Differentiating the common core language arts standards. (December 10, 2012). Indiana High Ability Conference in Indianapolis, IN. Invited speaker.

The power of products. (December 10, 2012). Indiana High Ability Conference in Indianapolis, IN. Invited speaker.

Preassessment: The key to defensible differentiation. (December 10, 2012). Indiana High Ability Conference in Indianapolis, IN. Invited speaker.

The nuts and bolts of a differentiated classroom. (September 8, 2012). Invited Keynote. The Association for the Gifted Fall Institute in Gifted Education. Waco, TX. Invited Keynote.

Preassessment: The cornerstone of differentiation. (September 8, 2012). The Association for the Gifted Fall Institute in Gifted Education. Waco, TX.

What's a parent to do? Supporting your gifted and talented child at home. (September 7, 2012). Table Talk. The Association for the Gifted Fall Institute in Gifted Education. Waco, TX.

Differentiation in the real world. (April 12, 2012). Council for Exceptional Children Annual Conference, Denver, CO. Co-presenter Julia Roberts.

The power of products. (April 12, 2012). Council for Exceptional Children Annual Conference, Denver, CO. Co-presenter Julia Roberts.

What's a parent to do? Supporting your at child at home. (February 24, 2102). Parents and Advocates for Gifted Education, Houston, TX. Invited speaker.

Instructional strategies for differentiated assessments and products within the classroom. (February 15, 2012). National Association for Gifted Children Webinar on Wednesday. Co-presenter Julia Roberts. Invited speaker.

Preassessment: The linchpin of defensible differentiation. (November 11, 2011). National Middle School Association/Association for Middle Level Education Annual Conference, Louisville, KY.

Jazzed about Javits: GEMS data showing impact on student learning in math and science. (November 5, 2011). National Association for Gifted Children Annual Conference, New Orleans, LA. Co-presenters Julia Roberts, Janet Tassell, and Steve Wininger.

Signature Series: *Publishing with NAGC.* (November 5, 2011). National Association for Gifted Children Annual Conference, New Orleans, LA. Co-presenters Sydney Moon, Carolyn Callahan, Jennifer Jolly, Jeff Danielian, Susan Assouline, Anne Rinn, Lou Llyod-Zannini.

Preassessment: The linchpin of defensible differentiation. (November 4, 2011). National Association for Gifted Children Annual Conference, New Orleans, LA. Co-presenter Julia Roberts.

Products create 21st century learners. (November 4, 2011). National Association for Gifted Children Annual Conference, New Orleans, LA. Co-presenter Julia Roberts.

Essentials: Instructional strategies for differentiation within the classroom. (November 2, 2011). National Association for Gifted Children Annual Conference, New Orleans, LA. Co-presenter Julia Roberts.

Making differentiated products powerful. (2011). National Association for Gifted Children's Webinar on Wednesday. Co-presenter Julia Roberts. Invited speaker.

Making products powerful in the middle grades (recorded session). (November 13, 2010). National Association for Gifted Children Annual Conference, Atlanta, GA. Co-presenter Julia Roberts.

Project GEMS: Javits grant supporting PBI for math and science. (November 13, 2010). National Association for Gifted Children Annual Conference, Atlanta, GA. Co-presenters David Baxter, Allison Bemiss, Julia Roberts, and Janet Tassell.

Differentiation through the development and assessment of products. (November 11, 2010). National Association for Gifted Children Annual Conference, Atlanta, GA Co-presenter Julia Roberts. Invited speaker.

Instructional strategies for differentiation within the classroom. (November 11, 2010). National Association for Gifted Children Annual Conference, Atlanta, GA. Co-presenter Julia Roberts. Invited speaker.

Project GEMS: An update of findings. (October 8, 2010). Department of Education Jacob K. Javits Meeting in Washington, DC.

The Power of products: Differentiation made simple. (April 22, 2010). The Council for Exceptional Children Convention, Nashville, TN. Co-presenter Julia Roberts. Invited speaker.

Differentiation through the development and assessment of products. (December 4, 2009). Texas Association for the Gifted and Talented Conference, Houston, TX. Co-presenter Julia Roberts. Invited speaker.

Strategies for differentiating instruction: Best practices for the classroom. (December 3, 2009). Texas Association for the Gifted and Talented Conference, Houston, TX. Co-presenter Julia Roberts. Invited speaker.

What makes an effective advocate? (November 6, 2009). National Association for Gifted Children National Convention in St. Louis, MO. Co-presenter Julia Roberts.

Differentiating one step at a time. (February 3, 2009). Administrators Workshop for Indiana Association for the Gifted Conference in Indianapolis, IN. Invited presenter.

The power of products. (February 3, 2009). Indiana Association for the Gifted Conference in Indianapolis, IN. Co-presenter Julia Roberts. Invited speaker.

Using Bloom to differentiate for all learners. (February 3, 2009). Administrators Workshop for Indiana Association for the Gifted Conference in Indianapolis, IN. Co-presenter Julia Roberts. Invited speaker.

Leading a school that meets the needs of high ability students. (February 2, 2009). Administrators Workshop for Indiana Association for the Gifted Conference in Indianapolis, IN. Co-presenter Julia Roberts. Invited speaker.

The art of advocacy. (November 1, 2008). National Association for Gifted Children National

Convention in Tampa, FL. Co-presenter Julia Roberts.
Differentiation through the development and assessment of products. (October 30, 2008). National Association for Gifted Children National Convention in Tampa, FL. Board Institute. Co-presenter Julia Roberts.
The gifted child and the unchallenging classroom. (February 6, 2008). Julian Stanley Series at Vanderbilt in Nashville, TN. Co-presenter Julia Roberts.

State

How to use response lessons for identification. (March 21, 2018). GT End of Year Training and Workshop, Muhlenberg County, KY. Copresenter Dr. Mary Evans.
Differentiating with centers. (March 21, 2018). GT End of Year Training and Workshop, Muhlenberg County, KY. Copresenter Dr. Mary Evans.
The role of school board members in reducing district excellence gaps. (March 3, 2018). Kentucky School Board Association Conference, Louisville, KY.
Differentiation with learning centers. (February 1, 2018). Project RAP Teachers in Louisville, KY.
The nuts and bolts of differentiation for middle and high schoolers. (June 9, 2017). River Regional Education Cooperative. Bowling Green, KY. Invited speaker.
The nuts and bolts of differentiation for elementary students. (June 5, 2017). Invited presenter. Green River Regional Education Cooperative. Bowling Green, KY.
The twice-exceptional learner. (March 8, 2017). Literacy Specialists. Green River Regional Education Cooperative. Bowling Green, KY. Invited speaker.
Assessment of advanced learners. (February 27, 2017). Invited presenter. The Kentucky Association for Gifted Education Annual Conference, Lexington, KY.
Parenting gifted children 101: An introduction to gifted kids and their needs. (February 27, 2017). Parent Night. The Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Co-presenter Jana Kirchner. Invited speaker.
Opportunities for children. (March 16, 2016). Natcher Elementary Schools' Lunch and Learn, Warren County Schools, Bowling Green, KY.
What's a parent to do? Supporting your gifted and talented child at home. (August 21, 2014). Clinton County Schools Parent Night. Albany, KY.
Common core state standards in language arts and the gifted child. (February 24, 2014). The Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Invited speaker.
The "musts" of a differentiated classroom. (February 24, 2014). The Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Invited speaker.
Gatton Academy of Science and Mathematics panel (moderator). (October 16, 2013). Symposium on Kentucky's Children Who Are Gifted and Talented at Shakertown, KY.
Gifted and the common core. (October 16, 2013). Symposium on Kentucky's Children Who Are Gifted and Talented at Shakertown, KY.
Young innovators and entrepreneurs panel (moderator). (October 16, 2013). Symposium on Kentucky's Children Who Are Gifted and Talented at Shakertown, KY.
Diversity: The gifted child (presenter and resident expert). (October 15, 2013). Secondary education class of Jana Kirchner.

Differentiation made simple: Strategies that change lessons into differentiated ones. (August 28, 2013). KECSAC At-Risk Summer Workshop 2013 Richmond, KY. Invited speaker.

Higher-level thinking promotes college and career readiness. (August 24, 2013). KAGE's Update.

Differentiation made simple: Strategies that change lessons into differentiated ones. (July 24, 2013). KECSAC At-Risk Conference 2013 (substitute for Julia Roberts). Richmond, KY. Invited speaker.

Debunking the myths about gifted education. (June 5, 2013). WKU School of Teacher Education Annual Summer Conference, Bowling Green, KY.

Getting right with Bloom. (February 5, 2013). The Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Invited speaker.

Differentiation survival skills. (February 4, 2013). The Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Invited speaker.

Edmoto in the classroom. (February 4, 2013). The Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Co-presenter Rob Paugh. Invited speaker.

Differentiating instruction: Language arts. (June 20, 2012). Kentucky Association for Gifted Education Summer Workshop. Invited speaker.

All hands on deck: Using technology to meet the needs of the gifted. (February 6, 2012). Kentucky Association for Gifted Education Annual Conference, Lexington, KY. With Rob Paugh.

Differentiating instruction for gifted learners. (February 6, 2012). Kentucky Association for Gifted Education Annual Conference, Lexington, KY. Invited speaker.

The nuts and bolts of gifted education. (March 11, 2011). Warren County Board of Education, Gifted and Talented Committee Meeting, Bowling Green, KY.

Using preassessment. (February 8, 2011). Kentucky Association for Gifted Education Annual Conference. Lexington, KY.

Differentiation 101. (February 7, 2011). Kentucky Association for Gifted Education Annual Conference. Lexington, KY.

The power of products. (February 7, 2011). Kentucky Association for Gifted Education Annual Conference. Lexington, KY.

Differentiation through the development and assessment of products. (February 8, 2010). Kentucky Association for Gifted Education Annual Conference, Lexington KY. Co-presenter Julia Roberts. Invited speaker.
