**Employment History:**

As Professor at Northeastern Illinois University in Chicago, Illinois, August 2007 to the present:

- teach courses in the Master of Arts Degree Program in Gifted Education (MAGE), such as *Psychology of the Gifted, Education of the Gifted, Curriculum for the Gifted, Meeting the Social-Emotional Needs of the Gifted, Teaching Gifted Students in the Regular Classroom, Identifying and Providing for Underserved Gifted Students, Parenting and Advocacy for the Gifted, Bibliography and Methodology of Research in Gifted Education, Field Demonstration and Creativity.*
- supervise clinical candidates in special education in a variety of placements including students with mild, moderate, severe and profound disabilities.

- teach courses in Psychology Program, *Abnormal Psychology* and *Psychology of Personality*.
- teach a course in the Counseling Program, *Career Development*.
- serve as Coordinator of the MAGE program and advise students in the MAGE Program for appropriate course of study.
- connect with students through on-line course support using D2L and via e-mail.
- participate in establishing strong student relationships both on the NEIU campus as well as satellite sites.
- participate in departmental, college and university activities including social committee; search and screen (member and co-chair); professional standards (department); faculty mentor (department and College of Education); professional development (College of Education; member and chair); NCATE Standard 2 committee chair (College of Education), Graduate Committee on Academic Affairs (University) Faculty Council on Academic Affairs (Co-chair Curriculum Committee, University); Honors Advisory (University); Graduate College Task Force; Scholarship Committee (University); Provost Search (re-opened: University)
- represent the MAGE program at professional organizations and through presentations.

As Instructor and adjunct faculty at Northeastern Illinois University in Chicago, Illinois, May 1999 to August 2007:

- teach courses in the Masters of Arts Degree Program in Gifted Education (MAGE), such as *Psychology of the Gifted*, *Education of the Gifted*, *Curriculum for the Gifted*, *Meeting the Social-Emotional Needs of the Gifted*, *Gifted Education Seminar: Teaching Gifted Students in the Inclusive Classroom*, *Identifying and Providing for Underserved Gifted Students*, *Parenting and Advocacy for the Gifted*, *Field Demonstration*, *Research*, and *Creativity*

As Coordinator for Gifted/Talented Programs for the Antioch Community Consolidated School District #34 in Antioch, Illinois, September 1994 to June 2007:

- managed all aspects of district-wide program coordination, including annual preparation of grant applications (when mandated by law), and provide technical assistance and consultation to district staff.
- worked with building principals and classroom teachers of gifted/accelerated students to facilitate a collaborative model for meeting the needs of 150 high-ability students in grades K-8.
- delivered differentiated instruction to approximately fifty gifted students with emphasis on literacy.
- initiated and provide staff development opportunities and in-service training for district staff.
- assisted classroom teachers with the implementation of differentiation strategies to meet the needs of gifted/talented students, grades K-8.
- collaborated on the educational plans and implementation of those plans for “highly gifted” students grades K-8.

- collaborated on educational plans of twice-exceptional students including Asperger Syndrome, Learning Disabled, English Language Learners and Emotionally Disturbed and attend Multiple Disciplinary Conferences as gifted advocate for these students.
- developed individual education plan (IEP) goals for twice-exceptional students; collaborate with Special Education Team and modify consistent with Response to Intervention (RtI) initiatives.
- led staff meetings for those teaching gifted/accelerated classes.
- provided demonstration teaching to model presentation of curriculum.
- oversaw the gifted/talented identification process for gifted/talented students in grades K-8.
- assisted in the curriculum design for accelerated classes in grades K-8.
- guided students in research projects using multiple tools including software programs and advanced web search techniques.
- disseminated professional association and continuing education information to teachers of gifted/accelerated students in grades K-8.
- conducted parent meetings to inform parents about characteristics and needs of identified students as well as provide information on program delivery.
- disseminated information regarding gifted programming offered regionally to identified students and their parents.

As Parent Educator for Pre-school Programs for the Antioch Community Consolidated School District #34 in Antioch, Illinois, September 1995 to June 1997:

- assisted in the curriculum design for pre-school classes for 3 and 4 year old children.
- conducted parent education seminars using the STEP (Systematic Training for Effective Parenting) program.
- collaborated with local community pre-school programs to provide information for parents.
- assessed parents' needs and conduct parent meetings to inform parents about resources regarding needs of pre-school students.
- designed and implemented parent/child programming to enhance relationships between home and school.
- conducted home visits to solidify home/school bond in comfortable setting.

As career counselor/instructor at College of Lake County in Grayslake, Illinois, January 1982 to the present:

- provided career counseling to local clients who need support in career search exploration, career planning, resume writing, interview techniques and/or job search.
- conducted workshops on relevant career topics such as time management,

networking, stress management, and dress for success.

- taught courses such as Career Exploration, Volunteerism and Cooperative Education.
- assisted with planning of yearly Job Fair including pre-fair workshops.

As consultant/staff development presenter from 1998 to the present:

- provided gifted plan evaluation expertise to local school districts.
- provided staff development to local school districts.
- made presentations at regional, state, national, and international conferences.
- made presentations to over 20 parents' groups.
- team member who helped to develop materials as part of the redesign of the State of Illinois Gifted Institute and the companion modules.

***Additional relevant experience:***

Taught public and private school students in regular classrooms at many grade levels.

Developed and delivered curriculum at private school for the gifted.

Designed and implemented summer school curriculum for gifted students at a community college as well as a private school for gifted.

Designed and implemented summer school extension program for private school for the gifted which included field-based experiences throughout the Chicago area.

Provided demonstration lessons in public school classrooms on developing higher level thinking skills.

Provided parent sessions to promote advocacy and deeper understanding of needs of gifted students.

Conducted assessments to help determine eligibility for gifted program.

Supported gifted advocacy efforts of Illinois Association for Gifted Children.
