

Expert Speakers Bureau

Looking for a speaker? Add an expert perspective to your conference or event!

NAGC leaders are available to State Affiliates and other conference planners to speak on numerous topics at a significant discount off their regular honorarium fee. They are experts in the field of gifted education and popular conference speakers!

Here is how **ESB** works:

- Contact NAGC as early as possible to secure an ESB speaker for your conference via **email** or call 202-785-4268.
- Choose a speaker from the list below. Click their name for biographical and other information. For additional names and specific topics, **email** NAGC.
- The NAGC Affiliate does not pay an honorarium to the speaker and instead agrees to make a payment of \$1,000 to the NAGC Annual Fund. The fee for non-NAGC affiliates is \$2,500. All travel expenses and additional sessions are negotiated with and paid directly to the speaker.
