

The Dr. Alexinia Baldwin Gifted & [Special Population] Award

Description and Award Criteria:

The Dr. Alexinia Baldwin Gifted & [Special Population] Award recognizes 1-2 individuals who have:

- Contributed to the mission of the Special Populations Network (SPN)
- Advanced the recognition of the talents and abilities of specific populations, while recognizing the impact of other factors on the process of talent development
- Created change and had an impact among gifted children from special populations

Awards can be given to:

- Active members of network
- Graduate students
- Individuals in the public

Nomination Guidelines & Schedule (Deadline Extended to Sept. 14)

Nominator must submit:

- Nomination letter
- Nominee's current CV

Nominator should email the nomination letter and a copy of your nominee's vita to: SPN Awards Committee Chairs, Dr. Nielsen Pereira (npereira@purdue.edu) and Dr. Jessa Luckey Goudelock (jluckeygoudelock@gmail.com) no later than September 14, 2020. Be sure to address the award criteria in your nomination letter.

Honoree Award Recognition

The Special Populations Awards Committee will review all nominations and determine award recipient(s). The award winner will be announced and recognized at the NAGC Annual Convention during the Special Populations Network Reception (Day, Time, and Location TBA).

Honorees will be featured also through a self-written article for the SPN newsletter about themselves and their work. **Honoree(s)** will be provided with instructions and deadlines to submit article to the editor of SPN Publications Chairs.
