Robert Lundstrom, Creativity Network Chair-Elect
Elementary School Teacher, Sacramento City (CA) Unified School District

Network Vision Statement
My name is Robert Lundstrom, and I have been an elementary school teacher for the last 25 years. In 2015, I was awarded a Javits-Frasier Scholarship and attended the NAGC National Convention for the first time. Since that time, I have presented on various topics in gifted education for the teachers at my elementary school and at the California Association for the Gifted (CAG) Conference. Last year, I presented at NAGC for the first time and was a first-time participant in Creativity Night! I had a wonderful time and would like to become more involved with both the Creativity Network and NAGC as a whole. I am a firm believer in creativity as a means to foster problem-solving, risk-taking, self-expression, passion, and innovation. As chair-elect of the Creativity Network, I will do my best to help support the goals, vision, and mission statement of the network.
